

One Student One Community Many Futures

Dear Parents/ Carers,

Here at Helensvale SHS we are passionate about EVERY one of our students succeeding. In order to achieve this, it is vital that students learn the necessary knowledge and commit to task completion in order to meet the deadlines and hand in all required tasks.

Our teachers continually provide support in catering for student needs however, there are instances when students require additional time and assistance to fulfil their learning objectives or goals so they are able to submit their work. There are also students who require extension of their learning.

For this purpose, Monday afternoons are dedicated to assisting these students via designated WILL and SKILL sessions:

“SKILL” sessions: For students who require more targeted instruction in order to meet the required deadlines or who are interested in opportunities for extension.

“WILL” sessions: For students who have demonstrated the required knowledge however have not met the required deadlines.

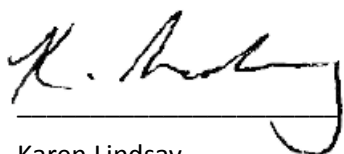

To assist students in achieving their goals, we will be implementing the following supportive arrangements for all year levels

- **SKILL sessions:** Students will be required to attend a **compulsory small group tutorial** within their identified subject on **Mondays 2.15pm-2.55pm**. Students will be advised of the venue and date. Specific extension sessions will also utilise the Monday afternoon schedule.
- **WILL sessions:** Students will be required to attend **compulsory catch up sessions** held **Mondays from 2.15pm-2.55pm** in SWELL.

Please note that on Monday afternoons students will be able to access buses which will leave the school at normal scheduled times.

We are offering your child every opportunity to succeed and together we can make this happen. We ask your support in ensuring your child’s attendance at these sessions if nominated by their teachers. This is simply an information letter however please feel free to contact Janelle Dickman at any time for more information.

With kind regards,

Karen Lindsay
