We're excited to announce the return of our popular Company Excursions this Sept/Oct school holidays, which provide rare and unique opportunities for teenage girls to see inside some of Queensland's most impressive companies.

September sees our first ever partnership event with world leader in e-commerce, cloud computing, digital streaming, and artificial intelligence: Amazon! Girls will leave this day with a comprehensive understanding of the company, the wide array of opportunities within the tech sector, and inspiration to pursue a digital pathway.

E-COMMERCE & TECH INDUSTRY OVERVIEW AND PANEL

Develop a clearer understanding of the tech landscape and where Amazon fits within it, and hear from inspiring women working across a variety of departments.

9:00am - 11:00am

VIRTUAL 'TOUR' OF AMAZON AND INTERACTIVE WORKSHOP

Take a virtual tour of the organisation and its people, then participate in an interactive workshop led by Innovation Advisory Consultant, Nicola Hazell

11:00am - 12:30pm

SMALL-GROUP MENTORING ROOMS

Connect with a variety of women who work across a range of departments at Amazon and ask all of your burning questions about the company, the industry and possible pathways.

12:30pm - 2:30pm

“ These excursions help me realise what girls can do in the real world by using their skills and passions from high-school. They are an amazing experience and really inspiring.

COURTNEY, GRADE 9

FREE IN PERSON! COMPANY EXCURSION

FORTITUDE VALLEY | THURSDAY 1ST OCTOBER, 9am - 2:30pm

GIRLS IN GRADES 7-12 CAN BOOK THEIR FREE PLACE AT:
<https://girlshapedflames.com/book-excursions>

A wonderful opportunity to not only see the inner-workings of one of QLD's fastest growing software companies (at their super-hip offices in Fortitude Valley) but it's also your chance to ask your burning questions of the amazing women that populate across almost ALL of the internal departments.

We're talking designers, devs, customer success team, marketing – the lot.

"I really enjoyed today as I learnt about different jobs within the tech industry and how problem solving is such a big part of it!"

Kelly - Grade 7

"It was great to meet and talk to real women working in a variety of areas within tech."

Holly - Grade 9

"Today really helped me with my confidence to learn new skills and inspired me to get out there and start."

Felecia - Grade 8

"Today made a huge impact by showing girls they can go into whatever field they want to. Thank you so much for providing them this opportunity!"

Linda Clarke - Educator
